

## Playdough Recipe!

<https://www.bbcgoodfood.com/howto/guide/playdough-recipe>

You will need:

- 8 tbsp plain flour
- 2 tbsp salt
- 60ml warm water
- 1 tbsp vegetable oil
- Food colouring

Mix the ingredients in a bowl then knead into a dough!  
See video on link for help!

## Understanding the World

Test out which items float and sink in the bath! Can you explain why?  
Spend time discussing the materials!

## Writing

Use the book we sent home to write something you have done each day and draw a beautiful picture! When we get back to school we can share all the exciting things we have done!

## Phonics

Can you write the new tricky words MY and THEY? Can you find them in a story book?

### Wash the word!

Write simple phonic words on the floor in chalk, call it out and see if your child can clean it off the floor! Then your child can write the words too! Example words - shop, boat, farm, fish! (type in phase 3 words into google for more!)

*“And at the end of the day, your feet should be dirty, your hair messy and your eyes sparkling!”*

## Arts and Design

Can you make this?

<https://iheartcraftythings.com/hatching-chick-craft-free-pattern.html>

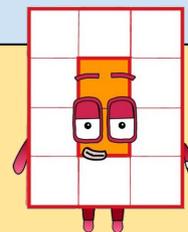

## Maths

We are learning number 12! Watch it on numberblocks and play counting games to 12!

Can you work out what is half of 12? What numbers can you add together to make 12? (The children can use their toys or objects to work this out!)

12
