

Phoenix Under 5s Preschool

Phoenix under 5s Pre-School runs Monday-Friday during term time and offers 24 places a day to children who are 3-5 years old.

Situated inside of Park Grove Primary Academy the Pre-school has its own outside play space, as well as having access to the school's wonderful facilities such as the outdoor classroom, garden and forest school areas.

We offer free flow throughout the day and provide lots of learning opportunities through the children's play and adult led both inside and out.

Our highly qualified team work closely with the Early Years staff at Park Grove to ensure smooth transitions for those children progressing to school, be that Park Grove or further afield. We offer Rising 5s sessions within school to give children a first look into Park Grove, explore the reception rooms and meet the teachers.

Early Years partnership

Putting children and their families at the heart of everything we do

Information correct at time of going to print, December 2018

4 Family

4 Family Partnership is a collaboration between Early Years providers within our local community.

This includes schools, nurseries, playgroups and childminders. We work together to provide care and support for the children and families in our community and build links between settings.

We have an appointed QTS (Qualified Teacher Status) and SENCO (Special Educational Needs Coordinator) working within the partnership. We meet half-termly with focused meetings to ensure we are providing the best quality start to education in your child's journey.

Haxby Road Primary Academy

We offer spaces for children from 2 years old in our Tiny Steps Academy, 3 and 4 years olds in our Nursery provision and Reception school places for 5 year olds. School days last from 8.30am – 3pm. For Tiny Steps and Nursery children we offer the 15 hours of care over two full days and a half day session.

Early Years is often a child's first venture alone into the world outside their family home. Our staff provide a stimulating, safe, warm and homely environment where children can play, explore, talk, learn – and giggle – as they build lasting friendships.

We believe in nurturing each child's unique qualities and potential as well as supporting each family through building strong relationships.

We believe our Early Years is an extra special place where each child can take their own steps together to explore and discover the world. What children experience in Tiny Steps, Nursery and Reception can create strong and lasting foundations on which to build in later life, so we believe it is essential that the experiences are of the highest quality.

Dinky Groves Day Nursery

Dinky Groves Day Nursery is a 28-place Nursery for children of birth-11 years. Here at Dinky Groves, we pride ourselves on providing a stimulating and nurturing setting for our children to attend – with daily age-appropriate activities and external services such as football with Kixx and Phonics activities with Phonics Stars.

Our children are always discovering, exploring, and investigating to become their own individual person, demonstrating independence in time for school!

All staff at Dinky Groves Day Nursery are First Aid and Safeguarding trained with most working towards or already achieving their Childcare Qualifications. They create unforgettable bonds with the children and become part of the family!

We cannot wait for you to join us too.
