It has been so lovely to see everyone heading into school this term looking smart and ready to learn in their uniform. Everyone is just a little bit more grown up than last year.

All the children (and staff) have settled in to our new term beautifully and school is looking so vibrant with our beautiful displays and the class names on each door.

Last week year 3 and 4 went to visit their York streets: Gillygate and Fossgate. They had a fantastic time learning about the area and completing a picture treasure hunt. The children were a real credit to school and showed what fantastic role models they can be. Thank you Lower Key Stage 2 for showing everyone how amazing Haxby Road Primary Academy is!

Watch our for your class newsletters telling you all about the street your child's class is linked to and perhaps even visit your street next time you are in the city centre.

Have a fabulous rest of the week, see you bright and early every morning!
