A message from the Head of School.....

As we come to the end of this Autumn Term I would like to wish you a very happy and fun-filled Christmas. Having worked hard all term, the children will be ready for a break and the opportunity to recharge their batteries (whilst wearing yours out no doubt!).

*I would just like to take this opportunity to **thank** all the parents and carers for the support you have given Haxby Road Primary Academy this term. We really do appreciate this. I would also like to thank the children and staff for all their hard work and dedication.*

*We have lots of exciting events planned for the new year including the launch of **Haxby 100 on Friday 12th January at 1.30pm**. I wish you all the joy of the festive season....I hope Santa will be good to you all this year!*

Miss Woodward

Attendance Update

Our School Target is 97%

Last week our attendance was: 95.72%

The winners this week are...

First Place: Ousegate 2 with 100%

Second Place: Micklegate with 94.44%

Third Place: Nessgate with 93.59%

Attendance Target 97%

After the success of our school disco and the whole school attendance currently at **96%**, the children, staff and parents who attended the attendance meeting have decided to hold a Movie Night next term.

Any child who has **97% from the 8.1.18 until the 8.2.18** will be invited to the movie night. Treats will also be provided.

If your child has been off and has a doctors medical form or an appointment card, they will be able to attend. Please show these at the office.

The children are really excited about the movie night!

It has come to our **attention** this morning that there is an app used by children on phones, ipads, tablets and desktop computers that could potentially be putting children at risk. The police are aware of this.

The app is called **LIVE.me**

The web page says it can live stream video chat, so that others can comment interject and view live streaming in real time and make suggestions, ask questions etc. The video then remains on there and can be seen by others. From what we understand it is basically a chat room but we have been informed that this chatroom can be accessed by multiple users and in some scenarios children are being asked to 'carry out specific tasks'. Please could you check your children's phones and ensure that this is removed. Thank you. The Safeguarding Team
