A message from the Head of School.....

Starting the New Year off in the right way!

We know that we are very privileged at Haxby Road Academy to have such well-behaved, well-mannered, articulate pupils - it allows for an enthusiastic positive learning environment where we can all have fun and make great progress together.

LOOK SMART - THINK SMART - ACT SMART

Being well-presented, with all the equipment needed for the day, homework complete and ready to learn - these are key ingredients for successful learning. The New Year is a perfect time to ensure that everything is well set for the year ahead and we would like to say a big thank you for your continued support with this. It has been a pleasure to see so many of our parents/carers attending their child's Inspire event this week.

Young Voices by Miss Woodward

It was an absolute pleasure to attend the **largest choir in the world** at Sheffield Arena on Thursday night with the school choir. I was incredibly proud of our children and they demonstrated exemplary behaviour throughout the rehearsals and performance. They sang and danced the night away, with enthusiasm and passion. We will be booking again for next year!

I would like to say a **huge thank** to all the parents who attended the concert and made the long journey back to school to collect their child. I would also like to thank all the parents who arrived at the coach to collect their child at night. I think the children had one of their best experiences ever as they couldn't stop talking about the amazing concert!

Non-Uniform Day Friday 26th January

We are holding a non-uniform day this Friday to raise money for our Young Carers in school.

We would like our non-uniform day to link to this terms maths focus. It would be great if the children could wear **clothes with numbers, patterns or shapes on!**

During the day the children will be taking part in lots of mathematical games and investigations.

We kindly ask for a donation of £1 to go towards our Young Carers club.

Inspire Events. This term all parents are invited into school to see how their **children learn maths**. The teacher always plan exciting and fun activities with the children. The class inspire dates are:
