A message from the Head of School...

This year we have made a pledge that all children in our school will read every day. Our aim is to grow the pupils into strong readers and writers. This week the children in school have been showing enthusiasm for their new class story or novel. They are really enjoying learning about the author of the term. You can help promote your child's love for reading by asking them about their class story or novel.

*On **Thursday 8th February** our **Attendance Movie Night** will take place. Your child will receive a letter on Wednesday if they have achieved **96% attendance or above** since the start of term. If you would like to check whether your child will be going beforehand, please check the attendance board in the office.*
