A message from the Head of School...

For Years 1-6 this week has been the last week with their current class teacher. From next week they will move up to their new teacher and start to get to know them. Reception, Nursery and Tiny Steps stay with their current teacher this week and have smaller transition visits throughout the week.

The Year 6 children have successfully completed an Inspiring Minds Project with the University of York and The Royal Mail. They attended a graduation ceremony at the University of York in July along with other Year 6 pupils from, Carr Junior, St Barnabas, New Earswick and Yearsley Grove and Osbaldwick primary schools to celebrate their success. The Graduation took place in the Sir Jack Lyons Concert Hall. A huge well done to Grace, Megan, Corey, Kelisha and Ethan, who presented their work on stage in front of lots of other children. The children were then presented with their certificates as they graduated.

After this the children had the opportunity listen to a guest speaker, Tom Pickersgill, who is a young entrepreneur and founder of the Zubble music app. He shared his inspirational story about starting his own business whilst studying at University. The year 6 were also involve in some Green Science activities - all of which they learned so much and enjoyed every moment.

Third Place: Class 3NW Gillygate with 95.63%

Football News

The boys and girls football teams were in action last week against Lakeside Primary. The two games were played with Great Spirit and tremendous enthusiasm. Haxby Road Girls eventually became victorious with some nail biting moments against a very well organised Lakeside team. It was a double celebration as the boys also won their match against a very energetic Lakeside team.

Haxby Road Girls 3-2 Lakeside

Haxby Road Boys 2-0 Lakeside

Well done teams, Fantastic effort!

Mr Robinson/Mr Nicholson

Thank you to those who attended the coffee morning on Thursday 5th July with Richard Ludlow. It was a real opportunity to ask questions about the academy and future developments.
