My child is poorly: what should I do?

Would you have kept your child off school before Covid-19?

Yes

Keep your child off school

No

Do they have any of these symptoms:
1. A new continuous cough?
2. A fever (high temperature over 38° using a thermometer)?
3. A loss or change of smell or taste?

Yes

Keep your child off school. Call 119 or go to www.gov.uk/get-coronavirus-test and arrange for a test. Your child and your household must self-isolate until you have the results.

No

Does your child have an underlying chronic medical condition such as cystic fibrosis?

Yes

Speak to their specialist team about testing criteria if you haven't already been seen or spoken to them or had a letter in the post telling you when to worry.

No

Children who are otherwise well but who have:

• runny noses
• sore throats without a fever, or
• mild colds

– CAN go to school as normal
