

A message from Miss Woodward

I would like to thank everyone for everything you have done to make this first term's transition a smooth and successful one. The children have been amazing and so resilient, the staff have worked so hard and gone above and beyond to make sure that the children have felt safe and happy, and parents have been fabulous in supporting us all with following health and safety procedures and supporting children's learning. While the news is constantly stating that the risks for COVID-19 are ever increasing, we will continue to do our best to work together to keep our children, families and staff as safe as we can, while still providing the best education we can for the children.

We hope you all have a lovely half term holiday.

Miss Woodward

Non-uniform Day

Children can come in non-uniform and make a small contribution to Friends of Haxby Road.

Today the children have received a little treat bag to say **thank you** to our school community for supporting the Friends of Haxby Road.

The children had the biggest smiles when they saw the treat bag and they would like to say a **BIG thank you** to the Friends of Haxby Road.

Face Masks

Due to York moving to Tier 2 on the government's Covid-19 Alert System, Public Health England stress to the **importance of facemasks on the school site.**

Please follow these rules and help keep each other safe.

Parents who do not wear facemasks must not attempt to speak with school staff at a distance less than 2 metres.

Facemasks and social distancing are a minimum effort towards keeping school a safe place for everyone.

REMEMBRANCE

Due to the Covid-19 pandemic and the current level of infections we have decided not to make poppies available in school this year. However, we would like to signpost you to the British Legion website where they give very useful information on how to get involved in the Poppy Appeal 2020.
