WELCOME BACK!

A message from Miss Woodward

I would like to start by thanking parents and carers for all their hard work in supporting and monitoring pupils throughout this lockdown with home learning. We appreciate that you have enabled your children to access the 'live sessions' weekly and recorded videos to successfully undertake their daily learning. We have been most impressed with the quality of work the pupils have been submitting.

Full return on 8th March

We are all prepared for the children to return on Monday 8th March with things returning to how they were during the Autumn term. Children will again be able to be in whole classes and be seated in rows, facing the front of the classroom, but these bubbles will not mix with others. This means staggered start and finish times for each class, as well as staggered playtimes and lunchtimes. Please ensure that you wear a mask and, once you have left/collected your child, that you leave the playground to allow the next class to be left/collected.

We do appreciate that these staggered times may cause some inconvenience, not least for siblings, and can only apologise whilst we need to do this. We will have a system of controls in place in school to minimise the risk of infection with contingency plans in place if outbreaks occur. Many of these controls are familiar to staff and families as it replicates what was in place in the autumn term 2020. Our risk assessment is on our website under the 'Coronavirus' section if you would like to take a look at the steps we take to reduce the risk of infection.

Our first priority will be to ensure that the children are settled and happy to return to school. This will include whole class support for their wellbeing as well as small group or individual support where necessary. We will then spend time supporting children to re-establish their learning behaviours and focus on helping them make progress towards the end of year expectations for each individual.

We look forward to seeing everyone back at school.
