A message from Miss Woodward

We hope you all had a lovely Easter and we welcome our new Haxby Road Nursery and Tiny Steps families to our school community. For our year 6 children, this will be their last term at school and we will endeavour to make it extra special for them so that they take a wealth of memories away.

Take Care and Stay Safe

Miss Woodward

Attendance Matters

Our School Target is 97%

This week our attendance was: 92.14%

The winners this week are...

First Place: Gillygate with 97.04%

Second Place: Fossgate with 95.71%

Third Place: Fishergate with 94.44%

Rights Respecting School Bronze Award

CONGRAULATIONS

Children's wellbeing is at the core of our curriculum. We are currently working through the ideas involved in becoming a **Rights Respecting School**.

We have just been awarded the Bronze award: Rights Committed for being a Rights Respecting School.

This means that we are working hard to embed the UNICEF Children's Rights in our school. This is a big achievement for schools and we look forward to now working towards the next level of Silver. We believe the Rights Respecting School Award will help our children grow into confident, caring and responsible citizens both in school and within the wider community. We really hope you will be able to support us in working towards achieving Gold and becoming a Rights Respecting School. We are aiming to achieve the Silver Award in Autumn 2021. More information will be posted in our newsletter over the coming months and our school website.

Collecting your child on Time

Please can we remind all parents and carers to collect your child on time. This is especially important under our Covid Risk Assessments. We are now seeing a large number of children at the office, who have not been collected. It is important we do not mix our year group bubbles. We appreciate you may be running late but please ring the office to inform us. We can keep the children at the office in their own bubble for 10 minutes, however, after this time they will go to After School Club. You will then incur a charge of £10.

On Friday 7th May we will be celebrating Number Day and raising money for the NSPCC. Can you wear clothes that have numbers or shapes on and bring a small donation? We want to bring the fun back into maths after lots of screen based learning and will be spending the day playing maths games and doing maths outdoors. Look out on the newsletter each week for fun maths ideas you can try out at home. Follow this link to get you started
