

A message from Miss Woodward

It looks very much as if the school year is going to end in the same way as it started with ‘Freedom Day’ postponed until the 19th July 2021. We are making the assumption we will continue in bubbles until the end of term. This means some of our usual summer events will be unable to take place this year. However we are currently looking at doing class bubble sports days with only 30 spectators. More information on this will be shared next week. With the rise in cases of the new Delta variant, we would like to remind all parents to wear facemasks and follow social distance guidelines when entering the school grounds.

This year, the pandemic has made it difficult to develop and enhance our partnership with parents and carers. In September 2021 we would like to set up a Parent Forum. The forum will be a partnership between parents and carers, and the school. It will be a valuable way to share ideas, views, and concerns and make suggestions for improvements. The forum will meet once a half term for one hour in the Community Cafe. Drinks and cakes will be provided. The aims of the Parent Forum will be to:

- *Work together to improve the education provided for our children*
- *Share information, knowledge and skills*
- *Meet in a mutually supportive environment*
- *Further improve communication between parents and carers, and staff and governors.*

Any parent or carer of children at HRPA is welcome to join. If you would like to be join this partnership please contact the school office on:

Take care, Miss Woodward
