

A message from Miss Woodward

Lights, Camera, Action!

Our learning for the final half term of this year is a real cause for applause! EYFS will be using the movie ‘UP’ as a stimulus for their learning. Key Stage 1 will be exploring the magic of theatre and the influence of significant individuals such as Andrew Lloyd Webber. Lower Key Stage 2 are focusing on different puppets and making their own puppet show. Upper Key Stage 2 will use different media platforms and art styles to develop their understanding of the wider curriculum. They will use film archives and modern films to identify changes in locality over time, as well as making their own film posters and trailers. Please remember to see our school website to read more about our curriculum for this half term and remember to look at our twitter to see the children’s exciting learning.

Moving on

As we get closer to the end of the year, we are busy making plans to help prepare our children for transition to their next class or school. The children will be using their PSHE lessons to prepare for this. End of Year Reports will be sent to our families on 16th July 2021.

Take Care, Miss Woodward

School Photographs

Individual ONLY

Wednesday 16th June 2021

Unfortunately due to Covid 19, this year we are only able to photograph the children individually as we cannot mix siblings outside of their class bubble. We will not be able to allow pre-school children into school to be photographed with their sibling.

Thank you for your understanding.

The system for individual photographs will be Covid secure with social distancing in place and the photographer will also wear a mask, to ensure peace of mind for everyone.

Please ensure your child is in their school uniform on this day.

Year 6

All year 6 families should have received a letter regarding their end of term trips and events via ParentHub. We are also looking at doing a Year 6 leaver’s assembly outside, weather permitting on **Friday 23rd July at 9.00**. At the moment only one adult will be invited to attend, to ensure we don’t exceed the government guidance.
