A message from Miss Woodward

The children across school have been taking part in lots of activities today, looking at how we can keep our mind healthy.

We have been talking about our school value of **Kindness** and all the different ways in which we can display it. The children in Key Stage 2 said they could show kindness by smiling, being caring to others, helping others and taking turns.

The **Every Mind Matters** website from the NHS offers expert advice and practical tips to help look after our mental health and wellbeing. **#HelloYellow**

Take care Miss Woodward
