Our School Vision

“Learn, Grow and Aspire Together.”

A message from Mrs Robinson

Our Early Years Unit hosted a ‘special persons’ breakfast every morning this week, in their new outdoor learning environment. They enjoyed pastries and fruit juice in the sunshine. It was a wonderful atmosphere and the children were busy planting sunflowers for their special person. It was an absolute pleasure to talk to our families and listen to their extremely positive comments about our Early Years provision. Thank you to everyone involved for making this a special morning to celebrate some very special people.

Warm wishes Mrs Robinson

Reading interventions: We would love to share with you our amazing, unique and multisensory craft phonics programme. Some of you may be familiar with this from your children bringing home crafts they have lovingly created in school. This is usually on offer for children in KS1/KS2 who struggle to retain sounds. If you would like more information, please get in touch.

Please remember to download our **PARENT HUB APP**. The app is FREE and helps you keep up to date with what's going on at school. You may be missing important information.

School Council

On Friday 18th March our school council made us all very proud as they represented the school in the community litter pick. As part of our sessions the children have discussed being concerned about the amount of litter they see in their local play areas. So, alongside our Local PCSO's, we went and cleared two full bin bags of rubbish. It was so lovely to see the enthusiasm and we had numerous members of the public saying Thank You. **Well done** to everyone involved. You are a credit to the school.
