

At Haxby Road we value reading as a crucial life skill and recognise and promote the importance of developing a love of reading and the platform it gives for every child's future, using a reward scheme called 'Raving Readers'.

We encourage children to read as much as possible, preferably every day, to improve their reading fluency and their comprehension skills. Every time a pupil reads and their reading record is signed by a responsible adult they receive a star on the Raving Reader chart in their classroom.

When the children reach a certain number of stars and have recorded correctly in their reading records, they receive a prize in the weekly Praise assembly.

#### **Table of Rewards**
