

**Wed 25<sup>th</sup> May 2022**

**Dear Sir / Madam,**

**We're delighted to be hosting our 2022 Schools Day on Monday 18th July ahead of our match against Batley Bulldogs at the LNER Community Stadium and we are inviting you to help us celebrate!**

York City Knights are inviting your school's pupils to create a warm-up shirt design for our team to wear ahead of kick-off, a match that will also see the shirt shown on TV sports with our game against Batley set to be shown live on Premier Sports.

The winning shirt, to be picked by Chairman Clint Goodchild and Head Coach James Ford, will be produced for sale in our Club Shop and the winning designer will win their shirt which can be signed by the players if they would like.

On top of that, the winning designer will have the opportunity for them and their class to be brought to the match on the First York-branded York City Knights bus.

The template for your designs is attached and the deadline for entries in Thursday 9th June 2022. You can submit your entries either by emailing an image of them to info@yorkcityknights.com or bringing it to the Knights Club Shop within the LNER Community Stadium.

Happy designing!

**Yours sincerely,**

***Adam Prentis***
