Mrs Starr @MrsStarr_ · 13h

Well hello ☀️! This afternoon Nessgate worked in pairs outside to draw a map of the United Kingdom using chalks! 🇬🇧 We located and labelled the North Sea, the Irish Sea, the Celtic Sea and the English Channel! 🌊
@HaxbyRoad 🇬🇧

Mrs Mac @MrsMac_ · May 11

Gillygate @HaxbyRoad were brilliant at their unplugged computing lesson today. They had to give instructions to Theseus to help him get out of the maze!

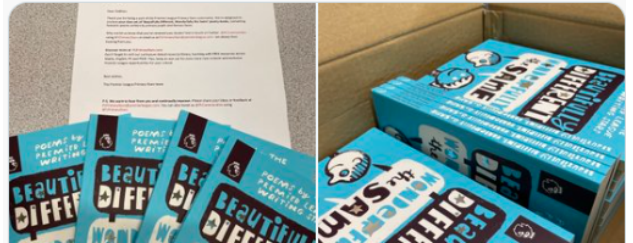

@MrsEddon_ @EddonMrs · May 11

@HaxbyRoad we use the Zones of Regulation to help us feel ready to learn. In PSHE this afternoon, Whip-Ma-Whop-Ma-Gate have explored strategies to help us feel good! ❤️🟡🟢🔵

Mrs Chambers @MrsC_017 · May 11

Another delivery of new books, we can't get enough of reading in Y4... this time a whole class set of amazing poetry books from @PLCommunities #PLPrimaryStars 🌟🏆 Our children have loved reading the poems from Beautifully Different, Wonderfully the Same ❤️ @HaxbyRoad #HRRReading

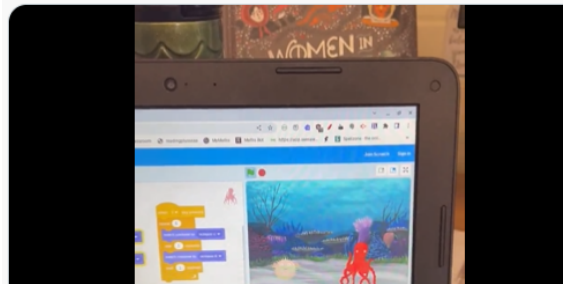

Mrs Chambers @MrsC_017 · May 11

Year 4 were over the moon to receive a set of @Adam_T_Murphy and @acouplecomics Corpse Talk books courtesy of @YoungWritersCW after entering a competition with them! We love getting new books for our reading corner 📖 #HRRReading @HaxbyRoad

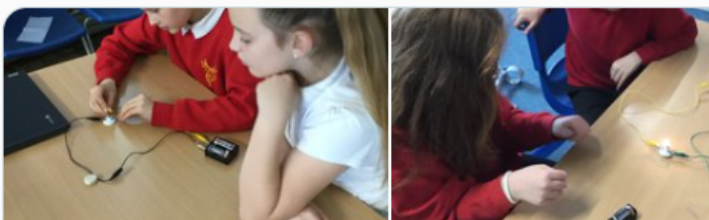

Mrs Chambers @MrsC_017 · May 11

In Brainiacs this week, we combined Science with Computing to explore how animals communicate and adapt to survive. Tinkering around with loops and seeing how our sprites can communicate different things! #HRSci #HRComp @HaxbyRoad

Mr R-K @MrReevesKemp · May 10

Reviewing our previous learning linked to electrical circuits, exploring conductors, insulators and scientific symbols. @HaxbyRoad

Mr R-K @MrReevesKemp · May 9

This morning, we used Edpuzzle, Mentimeter, Collaborative templates, Padlet and Flipgrid as part of our ideas generating carousel. @HaxbyRoad
