Thanks to all the families that came to our Showcase Art Exhibition! The children loved showing them around their artwork and explaining how they created each piece! We even tested the children on their knowledge from their knowledge organisers! @HaxbyRoad

The children were fascinated to see their marks disappearing as quickly as they were making them. This led to a wonderful conversation about evaporation and water cycles. @HaxbyRoad

#impactofmusic Year 5 @HaxbyRoad really enjoyed exploring different ways to use IT to compose. We learned how to create a pentatonic line of trees on Isle of Tunes. There were some amazing compositions. Great to be back in school working with Yr5
