Our School Vision

“Learn, Grow and Aspire Together.”

## A message from Mrs Robinson

*As we approach the end of the academic year and I look back at the last 11 months, I am incredibly proud of everything our children have achieved. It has been a pleasure to read the wonderful parent/carer comments about their child's school report. If any of our families would like to leave their views about the school on the Ofsted parent view, use the link below:*

*As a school, we are always keen to work with our families, as we know working together is the best way we can care for and educate our children. Thank you for your support and valuable feedback.*

*As we come to the end of what has been a very hot week, the NHS have send out heatwave warnings for next week. We will be sending you a letter with guidance about the measures we will be introducing to ensure we keep the children safe. Unfortunately, we are cancelling our enrichment and sports clubs next week as well as any Haxby Road 100 trips planned for Monday and Tuesday. We will be moving these to the end of the week, if possible.*

*We know you will support us with this decision, as our main priority is the children and their health.*

*We hope you all stay safe this weekend in the extreme weather.*

The Queen's Baton Relay is a relay around the world held prior to the beginning of the Commonwealth Games. This year, the games are being held in Birmingham on the 28<sup>th</sup> July

The children had the opportunity to try the sports that will be played at the Commonwealth Games!

This phenomenal event will hopefully inspire the next generation!

Attendance Matters

Every Day Counts....

## Spectacular Summer Attendance Raffle 2022

The children have really enjoyed our new attendance raffle and we will continue it for the last half term of the school year. Each day your child is in school, on time, they will receive a raffle ticket and will be entered into our *spectacular summer raffle*. At the end of this half term, names will be drawn and the children will have the chance to win some fabulous prizes including:

1<sup>st</sup> Place £50 Asda Voucher

2<sup>nd</sup> Place: £20 Asda Voucher

Various summer toys for the garden

## Reading Challenge

We are encouraging all of our children to read more – especially over the summer break. Please find below a link to a great website ‘The School Reading List’ which we recommend. This site gives children and adults an idea of where to start with finding an appropriate reading book that interests them. There is a list for each year group, or your child may wish to choose something more challenging.
