## A message from Mrs Robinson

It has been an exciting week in school. We have had our early years families into school to see how their child learns in the areas of provision. The reception children have shown their parents how they learn phonics and start their reading journey through school. We have also begun to show children around school that are ready to start in September 2023. If you know anyone looking for places in Early Years, please let them know:

Tiny Steps- 2 year old provision

Nursery 3-4 year old provision

Reception 4 and 5 year old

**Our Early Years Open Evening is Wednesday 16th November 5.30-6.30pm.**

Have a lovely weekend

Mrs Robinson

## World Mental Health 10.10.22

The theme of 2022's World Mental Health, set by the World Federation for Mental Health and Wellbeing is '**make mental health and wellbeing for all a global priority.**'

This year the mental health of our children, families and staff is one of our key school improvement priorities. This week the children have taken part in assemblies and class activities, focusing on how we can look after our mental health.

**Together we can create a brighter future for our children's mental health.**

**Young Minds** and **Every Mind Matters** are good websites for providing support, advice and practical tips to help look after our wellbeing.
