

A message from Mrs Robinson

Dear Parents/Carers

Please remember Parent Consultations start next week. If you haven't made an appointment with your child's class teacher there is still time. These are really valuable meetings to find out how well your child is doing in school and how you can support them at home.

Remembrance Day

This week the children have been learning about the significance of the Poppy and acknowledging those that lost their lives through conflict. The children in KS2 and KS1 observed a two minute silence today. Thank you to all of our families who have purchased a poppy.

Wishing you all the very best

Mrs Robinson

A Royal Memory

On Wednesday, Jason got to meet King Charles and the Queen Consort Camilla. Jason was so excited and practising his handshaking with mum the night before. Camilla and Charles then asked him to walk with them and chatted about their day. "I said to the King, 'Do you want to shake my hand?'" I even got to hear a band because the King took a long time to come to shake my hand. He was probably stuck in all the traffic. He was really friendly and silly.

An amazing memory for Jason!

Social Media

Don't forget to visit our Haxby Road Facebook and Twitter page to see all the exciting things happening in school. The school website also contains information about our curriculum and recent events.

Class teachers use SEESAW as a way of communicating with you so please make sure you download the app. The office team also post important information on PARENTHUB, please make sure you download this app too, so you aren't missing out on key information.

Greenfield Parking

We appreciate how difficult it is to find a parking space to drop your child off at school. However, we would like to remind all of our families to show respect and kindness to the community near school. We have had a number of vehicles blocking access for the residents of the Greenfield estate. This has included parking on yellow lines and blocking driveways.

How to contact your child's teacher

The best time to talk to your child's class teacher is at the end of the day.

At the beginning of the day if you have an urgent message to pass to the teacher, please leave the message with the office staff.

Messages can be sent to class teachers through Seesaw. However, please can we remind parents/carers that teachers will not respond to emails after 5pm and before 8am in a morning. Staff wellbeing is a key priority of the school and it is important that staff are not disturbed during their family time.

Thank you for your understanding.
