- Mickegate: 93.73%**
- Stonegate: 97%**

**The winning class is Stonegate with 97% Well Done!**

## A message from Mrs Robinson

Dear Families,

The children have really enjoyed talking to their parents/carers this week about the Zones of Regulations in our Inspire sessions. The Zones of Regulation are used across school and they help to foster self regulation and emotional control. The Zones is a systematic, cognitive-behavioral approach used to teach us how to regulate our feelings, energy and sensory needs in order to meet the demands of the situation around us and be successful socially.

Thank you to all of our families for attending our parent/carer consultation meetings. If you have missed your appointment or forgot to arrange a meeting, there is still time to book a meeting for next week. Have a lovely weekend Mrs Robinson

## Price Increase

School lunches will be £2.55 from 17th April 2023. If anyone needs any support with school lunches please speak to the office. They are always happy to help.

This week Tracy Ostle from the Foss Fairy Trail came into school and delivered an assembly alongside a local PCSO around the importance of looking after our community. The **Fairy Trail** has given so many families in our community enjoyment and we are grateful for all the hard work that goes into maintaining this. The Fairy Trail have produced a book that they are hoping to sell to raise funds to maintain the trail and cover the costs of any damage. The book costs £5. The book is available for you to look through at the main school reception.

If you are interested in buying a copy please let the office know.

**Red Nose Day** Thursday 16th March - Children can wear something that makes them smile. Bright clothes, favourite top, stripy socks.
