## Our community

Spring 2023

### Who are the Friends of Haxby Rd?

All of us as parents & carers make up the Friends of Haxby Rd. We see it as a community for all of us to support the children gain new experiences through fundraising & special activities. There is a small committee who take on the planning and monitoring of events and fundraising ensuring we keep our official charity status. But we can all play a role.

### Do you have 1-2 hours once per term?

Where we really do need support is helping on our event days. It could be helping set up or tidy up, it could be on a stall or in the café or applying glitter tattoos or welcoming people into the disco. There are so many jobs and we would appreciate any amount of time you could give

### WE REALLY NEED YOUR HELP!!

This term we start the planning for the summer fair and we would really welcome help from our parents & carers on the day of the fair. It could be helping set up, helping on a stall or tidying up at the end. We would be very grateful if you could spare an hour to support us.
