

Join the Friends of Haxby Road! We are the parent, teacher and governors' association for the school.

- We raise funds for the school, allowing children to have educational experiences and resources otherwise unavailable to them.
- We organise fun social events to build community – like discos, school fairs and bake sales.

We are always looking for people to get involved with ideas or volunteering. You can get involved and find out what's happening in a number of ways:

1. **come along** to a meet and greet on **Friday 13th September after school drop off**. Meet in the school reception. Here you can learn about Friends of Haxby Road, ask questions about us or the school and meet other parents.
2. Join our Facebook page – just search Friends of Haxby Road.
3. Look out for communications on the board near the school gate.
4. Chat to a committee member on the playground.

We look forward to seeing you soon!

Jo Keady and Naomi Bennigsen

(Co-Chairs)
