

A message from Mrs Robinson

Dear Families,
Welcome to another week in our great school. This week marks the second week into term 1 so our routines are well and truly in place for a term of learning and being at school on time. I have enjoyed beginning to get to know our new early years children and seeing them settling in so well. It has also been a pleasure to talk to so many of you during the last few weeks.

Key Stage 2 children have really enjoyed their enrichment clubs this week. Our Enrichment program provides the children with an opportunity to explore new hobbies and passions, as well as discovering hidden talents or interests they may have not known they had.

I would like to say a big thank you to our 'Friends of Haxby Road' who hosted the first coffee morning of the school year. It was an amazing turn out and lovely to see a strong sense of community within the school.

Every parent, carer, teacher and governor is automatically a member of the Friends, which means that anyone can suggest ideas or raise funds for something they're passionate about in school. The Friends is run by a committee of 10-12 parents, teachers and governors. To get in touch with us about an idea, or to ask for support to run an event, please email friends.hrs@ebor.academy or all.admin.hrs@ebor.academy.

Thank you for your ongoing support. Mrs Robinson

The Gold Mark for a Golden Year of Sport

The School Games Mark is a Government-led awards scheme (to reward schools for their commitment to the development of competition across their school and into the community. Schools in England are able to assess themselves across bronze, silver and gold levels of the Mark.

I am absolutely delighted to announce that Haxby Road Primary School was today awarded the GOLD School Games mark! This is an outstanding achievement and we are extremely proud of the combined efforts of staff, children, parents and the wider York community.

A special thank you to Mr Robinson for his commitment to delivering a cracking PE curriculum!

Language Day

Thursday 26th September

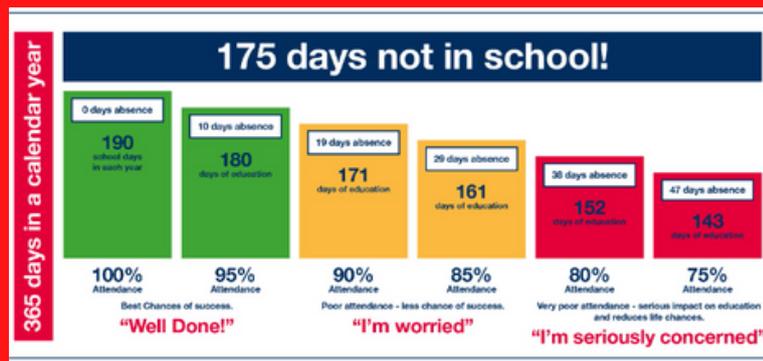

On this day the children will celebrate the languages in our community, class and around the world.

If any parent/carer would like to support on this day, please let the office know.
