

A message from Mrs Robinson

Dear families

This week the children celebrated European Day of Languages. The children celebrated the range and diversity of languages within our school community. They had so much fun!

We're excited to share our school's goal for this year: **to increase our attendance rate!** Last year, our attendance was 91%, while the national average was 96%. We believe that together, we can make a significant impact on improving our school's attendance.

To achieve this goal, we've introduced some exciting new initiatives that reward regular attendance. Please take a look at our new attendance journey map to see the fantastic prizes and rewards on offer.

Your support is crucial in helping us achieve our goal. By ensuring your child is in school every day and on time, you're not only impacting their attendance but also their learning and development.

Let's work together to create a positive and supportive school environment where attendance is a top priority.

Thank you for your continued support. Mrs Robinson

Languages Day @HaxbyRoad We created our own multilingual drum kits and practiced saying hello in different languages. #HaxbyroadSpanish #languagesday

Buenos días! Bonjour! Guten morgen! It can only mean one thing - European Day of Languages. Yesterday, was action packed in Micklegate @HaxbyRoad ; it was full of songs, poems and new words learnt. Well done to all those who made the day so special.

School Values: Trust, Kindness & Self Belief

This half term, we are focusing on the core value of Kindness. We believe that kindness is a fundamental quality that all children should develop.

Kindness is more than just being nice; it is about treating others with respect, compassion, and understanding. When children are kind, they create a positive and supportive environment for everyone. Kindness can also have a significant impact on a child's own well-being, as it can lead to increased self-esteem and happiness.

By teaching our children the importance of kindness, we are helping them to develop into compassionate, empathetic, and responsible individuals. We encourage you to reinforce the value of kindness at home and to model this behavior for your children.

Together, we can create a school community that is built on kindness, respect, and understanding.
