

A message from Mrs Robinson

Dear families

We would like to express our sincere gratitude to all of you who attended our recent *Inspire* sessions. We hope you enjoyed learning about our new "Fix it Five" approach, which we encourage children to use on the playground to resolve conflicts peacefully. We also wanted to highlight the importance of the *knowledge organizers* in helping your child remember key knowledge from their topics. These tools are designed to support learning and retention, and we encourage you to use them at home to reinforce your child's learning.

As we approach Parent Consultation Week, we would like to remind all of our families to book a meeting with your child's teacher. These meetings enable you to see how your child has settled into their new year group and see what progress they have made. These consultations are a valuable opportunity to gain insights into your child's learning and to work together to support their academic and personal development.

Thank you for your continued support and involvement in your child's education.

Have a lovely weekend Mrs Robinson

FIX IT 5

1		IGNORE IT	
2		WALK AWAY	
3		TALK FRIENDLY	

4		TALK FIRMLY	
5		FIND AN ADULT
