

A message from Mrs Robinson....Mees

Message from Mrs Robinson

Wow, can you believe this half term is almost over already? It's been a short one, but certainly packed with memorable Haxby Road experiences for all the children!

One of the exciting highlights has been the launch of our new House Point system! We're thrilled to see the enthusiasm from the children and how excited they are to earn extra playtime. It's wonderful to see them going above and beyond to demonstrate our values of kindness, self-belief, and trust.

On behalf of all the staff, we wish you a restful and enjoyable half term break. We look forward to welcoming everyone back on Monday, 24th February!

Take care,
Mrs Robinson

Rowntree	301	1680
Tuke	320	1810
Craven	323	1698

HOUSE POINTS

A huge thank you to all our parents/carers for your incredible support on Number Day! We are thrilled to announce that together we raised a fantastic £120.21 for the NSPCC. Your generosity will make a real difference to the lives of children. Thank you for helping us make Number Day such a success!

Safer Internet Week

Safer Internet week is a great opportunity for the school to focus on online safety with your child. Our top tip to parents/carers is to always remember to keep an open dialogue with your child about their online use. It may also be a good time to review your parental controls. Most broadbands have filters, which give you control to reduce the chances of children encountering inappropriate online content. Some allow you to set age limits, so your children are better protected with sensitive information.

Our School Target is 96%

National Figure 96 %

This week our whole school attendance was:

Jubbergate	86.67 %
Ousegate	92.67 %
Fishergate	93.33 %
Whip-ma-whop-ma-gate	95.33 %

Gillygate	94.62 %
Fossgate	95.36 %
Micklegate	96.21 %
Stonegate	89.13 %

In music, Stonegate have started working on a new piece for tuned percussion. They are layering 5 different parts and creating a repeated pattern to accompany a song. Great teamwork! @HaxbyRoad

Micklegate have been playing open strings on their string instruments. Watch out for the tremolo (shivery bow) at the end of the piece! @HaxbyRoad

In their ukulele lesson, Fossgate have learnt to play a new chord called A minor. Using this chord, they've made a great start on their new piece, A Minor Miracle. Well done, Y4! Super concentration and amazing confidence! @HaxbyRoad

Mr Branchette @Mr_Branchette · Feb 7

Micklegate @HaxbyRoad have been converting units of measurement today for National Number day!

Mr Branchette @Mr_Branchette · Feb 7

Thank you to the amazingly talented, local artist Pam Grimmond for showing Micklegate @HaxbyRoad her artwork and techniques this week.

Mrs Starr @Mrs_Starr · Feb 7

Jubbergate had a mathematical time celebrating Number Day today! @NSPCC @numberblocks @MrsMac_ @EysRoad @HaxbyRoad #NSPCCNumberDay #NumberDay #MakeMathsFun

For World Book Day this year on Thursday 6th March 2025, we will be looking at our favourite characters! Get your favourite book character ready for battle! This World Book Day (2025), we will be taking part in the Ultimate Character Champion Battle! This exciting, oracy-focused activity will see children champion their favourite literary heroes and heroines, sharing their passion for reading and developing their speaking and listening skills. It's a fantastic way to celebrate the joy of reading and discover new literary favourites. All you have to do is dress as your favourite character and be ready to explain your favourite things about them!

Safeguarding Tip of the Week

Keeping your child safe online

In today's digital world, children have easy access to the internet, making online safety a top priority for parents. To help protect your child, set clear rules about screen time and online activities. Use parental controls and privacy settings to limit access to inappropriate content. Teach your child about online dangers, such as cyberbullying and sharing personal information. Encourage open conversations so they feel comfortable discussing their online experiences. Regularly check their browsing history and social media activity. By staying involved and informed, you can create a safe online environment and help your child develop responsible internet habits.
