

Message from Mrs Robinson ...

Dear Parents and Carers,

We are absolutely thrilled to share some fantastic news! Last week, for the very first time, our school's attendance reached the national average! This is a monumental achievement, and we want to extend a heartfelt thank you to each and every one of you for your unwavering support and partnership. Improving attendance is a collective effort, and without your commitment to ensuring your children are in school, this incredible milestone wouldn't have been possible. We recognise the challenges families face, and we deeply appreciate your dedication to your children's education.

Why Good Attendance Matters:

- **Academic Success:** Regular attendance directly impacts your child's learning and progress.
- **Social Development:** School provides opportunities to build friendships and develop essential social skills.
- **Future Opportunities:** Good attendance establishes a strong foundation for future academic and career success.

If you are experiencing any challenges that are affecting your child's attendance, please don't hesitate to reach out. We are here to support you. You can arrange an appointment with myself or Mr. Hind to discuss any concerns or explore available resources.

This week, we celebrated Year 3's outstanding attendance with a special trip to the park! They have achieved an impressive three consecutive weeks of attendance above 96%, and they thoroughly enjoyed their well-deserved reward. It was wonderful to see their happy faces and celebrate their success.

We are incredibly proud of our school community and the progress we are making together. Thank you again for your partnership in ensuring our children thrive.

Have a lovely weekend, Mrs Robinson
