

Message from Mrs Robinson ...

We hope you and your families are enjoying this beautiful sunshine! The children have absolutely loved being outside in the warmer weather, and it's been wonderful to see them enjoying the fresh air and playtime. We're also excited to share that we are currently in the process of purchasing some fantastic new playground equipment! We know this will bring even more joy and opportunities for play and exploration for our children. We can't wait to see their faces when it's installed!

Next week, we'll be launching our Easter Attendance Initiative! We're planning a fun-filled week with an extra special Easter egg surprise for those children who demonstrate excellent attendance. We want to encourage everyone to come to school ready to learn and celebrate the Easter season together!

We hope you all have a lovely and relaxing weekend. We look forward to seeing the children bright and early on Monday!

Mrs Robinson

On Tuesday, April 1st, our wonderful Year 6 students will be hosting a bake sale to raise funds for their end-of-year treats and celebrations.

They've been busy baking up a storm and will have a delightful array of homemade goodies available throughout the school day. Expect to find tempting cakes, gooey brownies, and many other scrumptious treats!

This is a wonderful opportunity to support our Year 6 children as they work hard to make their final year at Haxby Road truly memorable.

Plus, who can resist a delicious homemade treat?

If you would like to contribute please bring in 50p and £1 coins so they can indulge in some tasty delights and contribute to this great cause.

We appreciate your support and look forward to seeing you at the bake sale!

Thank you Mr Hind

You're Invited! Art Showcase - Thursday, April 3rd, 2025

Please join us in the Upper Hall to celebrate the incredible artistic talents of our children. This is a wonderful opportunity to see the amazing artwork your children have created throughout the term.

Come and admire their creativity, hard work, and unique perspectives. We know you'll be as proud as we are!

Online Safety Tip of the Week

Welcome to our 'Online Safety Tip of The Week'. On each newsletter, we will provide you with some useful hints, tips, guides and fact sheets from the [National College](#) that you as parents and carers will be able to use to help keep your child safe whilst online. This week's free online safety guide focuses on free messaging app, 'Whatsapp'. Whatsapp is the world's most popular messaging service, with around two billion users exchanging texts, photos, videos and documents, as well as making voice and video calls. Its end-to-end encryption means that messages can only be viewed by the sender and any recipients: not even Whatsapp can read them. In the UK, the minimum age of use for WhatsApp is 16 years old. It had previously dropped to 13 years old but in April 2018 returned to 16, as a response to data-protection legislation.

British Values Spotlight On: *Respect & Tolerance*

As this week was 'Internet Safety Day', we will be thinking about 'How can we show respect and tolerance online'

Think before you post: Is what you're about to say kind and respectful? Avoid anything harmful or offensive.

Respect different opinions: It's okay to disagree, but do it politely. Listen to others, even if you don't agree.

Protect your privacy: Be careful what you share online. Remember, it could be there forever!

#BritishValues

Safeguarding Tip of the Week *Child Criminal Exploitation*

This week, we highlight the importance of tackling child criminal exploitation. A new crime and policing bill, currently in Parliament, aims to prosecute adults who exploit children for criminal activities. It will also make 'Cuckooing'—taking over a vulnerable person's home for illegal purposes—an offence. The most common form of exploitation is county lines, where gangs recruit and coerce children into transporting drugs. These young people are often manipulated and blackmailed into crime. Protecting children from such dangers is crucial. For more information, visit [Child Criminal Exploitation](#).

Sustainability Tip of the Week

Shop Online Where Possible

A traditional shopper has almost twice the carbon emissions as an online shopper. While ethical online shopping can cut carbon emissions, rushed delivery can break the benefit of shopping online due to more delivery trucks and packaging.
