

Dear Families

It has been another wonderful week at school, with the children making the most of the beautiful weather and engaging enthusiastically with their learning, particularly outdoors!

This week, our Year 6 pupils took their SATs, and we are incredibly proud of each and every one of them. They demonstrated such resilience, determination, and self-belief throughout the week, and we commend them for their fantastic efforts. To celebrate their hard work, and as a special treat, they were given ice creams and a McDonald's, thanks to a generous donation.

Have a great weekend Mrs Robinson

Holiday Absence Reminder

Just a reminder to all families that if you are planning to go away on holiday, you must submit a holiday request letter to the school prior to your departure. Please remember that, in accordance with local authority and government guidelines, the school does not authorise holiday requests, except in exceptional circumstances.

Thank you for your continued support.

Online Safety Tip of the Week

This week's free online safety guide, provided by the [National College](#), focuses on 'Squid Games'. With themes of horror and violence, it's important for parents and carers to understand the potential risks posed to young audiences by the nine-episode Netflix-exclusive TV show. The series, rated 15+, is about a world where contestants, who are deeply in debt, play children's games in order to win cash prizes. The show's popularity has meant that it has spread in various guises across online platforms, with a heightened risk of children and young people viewing unsuitable content.
