

A message from Mrs Robinson

A Huge Thank You from Haxby Road!

What a fantastic week it's been at Haxby Road Primary. We're writing to express our sincere gratitude for all your incredible support, especially during our recent Sports Day. The atmosphere was absolutely electric, and it was truly heartwarming to see so many of you cheering on the children. They had an absolute blast, and their smiles were the biggest reward! A special shout-out goes to the fantastic number of parents and carers who volunteered to race this year. That's always a massive highlight for the children, and your willingness to get involved made it even more memorable. Thank you for making it such a special day.

This week also saw an amazing display of talent as we showcased the exceptional musical abilities of our Key Stage 2 children. Their performances were truly delightful. We'd like to extend a heartfelt thank you to Mrs Martin for her outstanding work. Her fun and engaging music lessons are clearly inspiring a deep love of music and instrument-playing in our children, and it truly shines through.

We hope you all enjoy reading your child's report. We are incredibly proud of every single one of our children and the great progress they've made throughout the year. Their dedication and hard work are truly inspiring.

Finally, we wish all our Haxby Road families a lovely weekend. Please remember to stay safe in the sun as it's going to be incredibly warm!

Have a lovely weekend Mrs Robinson

Well done to all the performers in the Summer Music Concert this week. You were amazing! So confident and professional! What wonderful musicians you are! 🎵👏 @HaxbyRoad

Our School Target is 98% National Figure 96%
This week our whole school attendance was: **93.6%**

Jubbergate: 90.7%
Ousegate: 97.3%
Fishergate: 90.7%
Whip-Ma-Whop-Ma-Gate: 97%
Gillygate: 90.4%
Fossgate: 94.1%
Micklegate: 95.9%
Stonegate: 91.5%

Online Safety Tip of the Week

This week's free online safety guide, provided by the [National College](#), focuses on Apple iPads. Tablets remain a staple of children's digital lives - and Apple's iPad is by far the most popular model. According to Ofcom, over half of younger children regularly use a tablet to play games, watch online content or access apps. With their broad functionality, iPads can be helpful tools, but without supervision, they may expose children to risks ranging from inappropriate content to screen overuse. This [guide](#) highlights practical steps to help keep children safe while using an iPad.

Safeguarding Tip of the Week

Water Safety Reminder

Spending time near rivers, canals or lakes can be fun—but it's important to understand the risks. Open water can be deep, fast-moving, and extremely cold, which can shock the body and affect breathing. Canal edges may be slippery or uneven, increasing the risk of falling in. Water may also hide sharp objects, debris, or pollution. To stay safe: always keep children away from water unless closely supervised, never play near the edge, and remember—if you fall in, try to float on your back and stay calm. If someone else is in trouble, don't jump in—call 999 immediately.

#Safeguarding

Term 2025-2026	Start	End
Autumn 1	Tues 2 nd Sep	Fri 24 th Sep
Half Term	Mon 27 th Oct	Fri 31 st Oct
Autumn 2	Mon 3 rd Nov	Fri 19 th Dec
Christmas Holidays	Mon 22 nd Dec	Fri 2 nd Jan
