

A message from Mrs Robinson

Dear families

What a truly vibrant week it's been at school. We are absolutely thrilled to report on the resounding success of our Transition Day. It was genuinely heartwarming to witness all the children brimming with enthusiasm as they met their new teachers, explored their new classrooms and began to learn their new routines. The energy and excitement were palpable and it's clear they are all incredibly eager to embark on the next chapter of their learning journey.

A special assembly was held to mark this significant day, where we discussed the positive aspects of change and growing up. We emphasised how important it is to embrace taking the next step in their educational adventure. The children responded beautifully, demonstrating their maturity and readiness for the challenges and joys that lie ahead. We are so proud of how positively and eagerly they approached this sign day.

Beyond the classroom, this week has also been packed with exciting school trips. We were so lucky to have a number of enriching experiences take place. Our Year 3 children had a fantastic time on their trip to a local farm, learning all about rural life and connecting with nature. Meanwhile our Year 5 children enjoyed an exciting visit to York Football Stadium, gaining insight into the world of sport and local community.

We always strive to offer a diverse range of experiences for our children. When planning trips we carefully consider the curriculum they are currently learning and the interests of the children. Our aim is to ensure that, across their time in school, every child gets a broad and enriching set of experiences that extend their learning beyond the classroom walls.

Have a lovely weekend Mrs Robinson
