

Message from Mrs Robinson to our school community

Can you believe it? Monday marks the first day of December! As we officially head into the final three weeks of the term, the school is buzzing with excitement and festive cheer.

We have a packed and joyful schedule of Christmas activities planned to celebrate the end of a fantastic term.

- **Christmas Performance:** The children are currently working incredibly hard—and having a blast—learning their lines, perfecting their acting, and singing their hearts out for our annual Christmas performance. These special events are truly the highlight of the season, and it's wonderful to see the children really enjoy being a part of our school community celebrations.
- **Attendance Prizes:** We understand that the final weeks of term can be tiring for our wonderful children. To help keep energy levels high and encourage consistent attendance, we will be running some exciting attendance prize draws. Every day counts, and we want to ensure all our children finish the term strong and don't miss out on the festive fun.
- **Christmas Fair Today**

The air is electric here at school! We are absolutely thrilled that today is our spectacular Christmas Fair. We are so looking forward to seeing many of our families here, enjoying the festive fun and the wonderful atmosphere. Christmas is a time for connection, and it is so important that everyone feels a strong sense of belonging within our fantastic community. Events like this truly bring us all together.

We want to take a moment to extend our sincere gratitude and enthusiastic thanks to everyone who has been involved in organising and supporting our Christmas Fair. It takes a huge amount of effort and dedication, and we really appreciate your time and commitment. A massive, heartfelt thank you goes to the Friends of Haxby Road for their tireless work in making this event—and so many others—a success for our children. Your support is invaluable.

Wishing you a wonderful weekend and a truly magical start to December!

This is a polite reminder to please be mindful when parking at drop off/pick up times. We have received complaints from local residents about parents using private driveways and double yellow lines to park their vehicles whilst dropping their children at school. Residents are now reporting vehicle registrations to the local authority for further action.

Just a friendly reminder...

Our School is currently 93% **National Figure 97%**
This week our whole school attendance was: 94.3%
