## Around school this week!

### LION LEARNERS

In Early Years this week, they had a special visit from 'Lion Learners' who brought in a range of different minibeasts to really bring to life the children's minibeast topic in school.

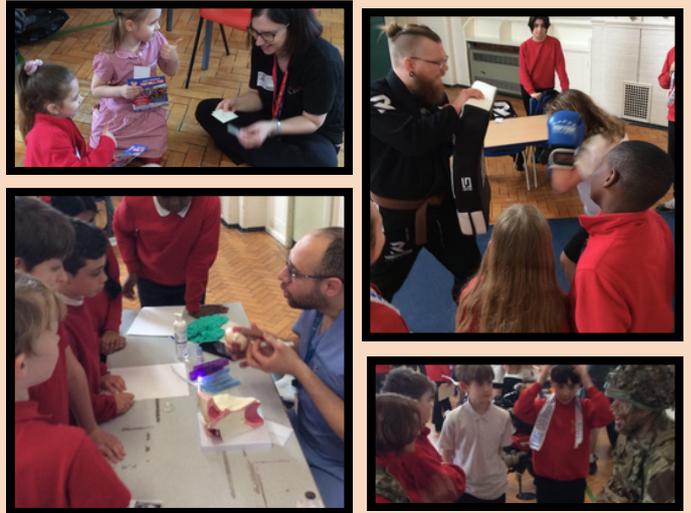

### NEW WEBSITE!

For months. Mrs Eddon has been working very hard to create a new school website and we are very proud to finally say that it is ready so head over and have a look

## Careers Showcase

On Thursday, we had our very first Haxby Road Primary Academy Careers fair. This event, expertly coordinated by Mr Branchette, brought together many members of the school community to share their journeys in the world of work and inspire the next generation to walk in their footsteps. I would like to say on behalf of the school, a big thank you to all parents and members of our community who attended. It was a fantastic event, only made possible by you and it is most certainly something the children were inspired by and will not forget.
